

EXAMINATION QUESTION PAPER

PG-DAC SEPT 2021

Module Name : SDM

DATE: 30 /10 / 2022

Duration: 3 hrs.

Max. Marks: 40

INSTRUCTIONS:

1. All questions are mandatory.
2. This exam is of 40 marks where, **Q1 – Q4 consists of 4 marks each and Q5 – Q8 consists of 6 marks each.**
3. Write all answers in a document in sequential order starting from 1 to 8 neatly.
4. Write all answers in a precise manner and attach links and screenshots, if required.
5. Attach all links and screenshots against appropriate question, if required.
 - ❖ Create one folder on your machine rename it with your PRN (Please use complete PRN)
 - ❖ Copy all the solution files + links + screenshots of all questions in the above created folder (PRN named folder).
 - ❖ After copying all the files right click on main folder select option "Add to Archive" and click on radio button in front of zip option.
It will create zip folder of your PRN. This will be your final folder to upload.
- Please note before uploading zip folder make sure you have copied all your relevant files in the respective folders. Once you upload the final folder you will not be able to re upload it
- Kindly ensure before creating zip file, make sure all the required files should be closed to avoid any corruption of the zip file.
- Zip File should be renamed with FULL PRN No. of the candidate
(For example: For PRN 1 : 210940120001.zip)
