

User Story Example: 1

As a start-up founder,

I want to be able to create an account on xlr8 website,

so that I can join the xlr8 community of investors, mentors and angel investors

Acceptance Criteria

1. Able to create an account manually (filling out the sign-up form)
2. Able to create an account via Facebook
3. Able to create an account via Google
4. Able to create an account via LinkedIn

User Story Example: 2

As a new user,

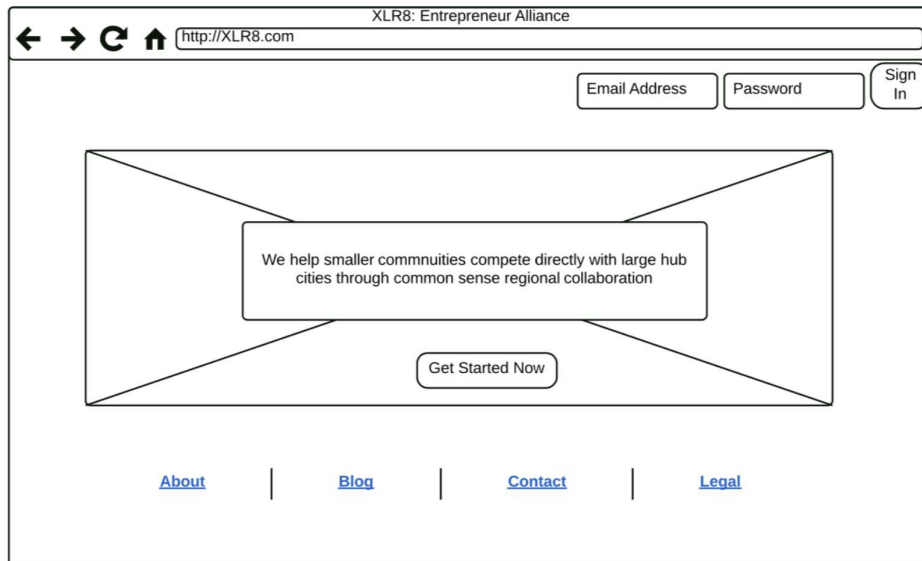

I want to be able to go to the landing page of the xlr8 website,

so that I can learn more about xlr8 and community

Acceptance Criteria

1. Page should have an About Us tagline
2. Get Started Now! button that prompts new users to the Registration Form
3. Links at the bottom of the page that offer additional information on XLR8
 - About - a mission statement and some info on founders/partners
 - Blog - an attached blog that documents some of the cool things XLR8 does outside the scope of the web portal

- Contact - Contact information for XLR8 headquarters/ Customer Service
- Legal - Terms & Conditions

User Story Example: 3

As a site visitor, I want to be able to view the monthly view of all the upcoming events in my area, so that I can connect to other members and attend the events that can help me or my start-up

Acceptance Criteria

- Event page should have a month view of the event calendar
- Ability to filter events by speakers, competitions, workshops, and networking
- The past event pictures should be in the sliding mode on the bottom of the events page.
